## Senttix

<b>Firmness (1-10)</b>	4
<b>Thickness</b>	32 cm
<b>Core</b>	2650* Cotton pocket springs
<b>Fabric</b>	66% Viscose - 20% Wool - 14% Cotton 300 Gr/m <sup>2</sup>
<b>Comfort</b>	Horshair - 1.000 Gr/m <sup>2</sup> Merino wool - 550 Gr/m <sup>2</sup> Latex & Jute - 65 Kg/m <sup>3</sup>

**Micropocket springs with cotton fabric encasement.** Unique in Sentic. Model 100% free of synthetic foam and fibers.

**100% Natural latex** Elastic, soft and responsive firmness for great adaptability.

**Horsehair** Every hair work as a tiny spring providing great flexibility. Each one is hollow inside, so it is perfect channeling the airflow for the best humidity and temperature control inside of the mattress.

Right on top the mattress featured with the extraordinary combination of **woolen fabric, viscose and cotton**. Originally organic, sustainable and biodegradable. Sewn and tufted by hand.

\* Size 160 x 200
